

Nuyakuk Hydroelectric Project: Major Milestone Reached! Your Participation Is Requested!

Please join us for the Nuyakuk River Hydroelectric Project Updated Study Report Meeting

Nushagak Cooperative will be presenting updates on the proposed Project and results of the 2023 & 2024 study seasons. There will be two opportunities to join, either in person or virtually (both meetings will present the same information):

January 15th, 2025: 9am-4pm with lunch break

January 16th, 2025: 2-8pm with dinner break

Hosted in-person in the Nushagak Cooperative Boardroom
800 Kenny Wren Road, Dillingham AK
and virtually via Teams

Teams meeting links and phone numbers will be posted to the Cooperative's website and social media accounts in December 2024

For more information about the Project, please visit: www.nuyakukhydro.com
